Team Info: mbracing.net, [@MBMotorsports](https://twitter.com/MBMotorsports)

WRIGHT CITY, MO- 2017 is turning into a year of firsts for Kevin Donahue, as the Missouri native gears up for the Iowa 200, which will mark his debut at Iowa Speedway on Friday night. Donahue will once again pilot the #36 Mittler Brothers Machine & Tool / KC Breweries Co. Chevy Silverado.

"Kevin's done a great job for us, both at Kansas and Gateway," notes team owner Mike Mittler. "He's smooth and he doesn't over drive the equipment, so it looks as good going back on the hauler as it does rolling off, which, as any team owner will tell you, is a great skill to have."

"Kansas City Breweries Co. is making their third race of the season with MB Motorsports. " We are honored to be with Blue Lives Matter again for the 3rd time as we look forward to the Iowa 200, sponsored by Casey's General Store notes Sam Lipari of Kansas City Breweries Company. Casey's General Store and Price Chopper are two great sponsors in Iowa racing and Price Chopper provides great support for **KC Lite™** and **KC Lager™** products."

Resurrected from the original Kansas City Breweries Company of 1905, there's a lot of history in every can of **KC Lite™**, **KC Lager™** & **KC Malt™**. Currently available across the states of Kansas and Missouri, Kansas City Breweries Company is growing rapidly and looking for distributors and retailers throughout the Midwest to continue their expansion. For more information on the company, including its current distribution, visit kansascitybreweriescompany.com.

The team is also continuing their support of Blue Lives Matter, which is run entirely by active and retired law enforcement officers to shed positive light on America's heroes to help boost morale and gain society's much needed support. "I'm a big supporter of our first responders," adds Donahue. "This is just our way of saying thank you to those that risk their lives to protect us."

The #36 Chevy Silverado will also receive support from Winntec, Gateway Kartplex, Mittler Brothers Machine & Tool, MARADYNE® High Performance Fans, Mayhew Tool, Champion Brands, Reikken, Gaither Tool, Excel Bottling / Ski Soda, Timken, MechanixWear and WIX Filters.

The Iowa 200 will be broadcast on FS1 and MRN at 8:30 pm ET, Saturday June 23rd.

About Blue Lives Matter:

Blue Lives Matter is run entirely by active and retired law enforcement officers. In today's evolving society, an increasing number of citizens fail to accept responsibility for their actions and attempt to escape the consequences through outward blame. Due to the nature of the profession, law enforcement personnel are seen as easy targets and are consequently bullied by slander, illegitimate complaints, frivolous lawsuits, and physical attacks. The echo of these negative highlights by the media and political figures have only further damaged community relations, which has greatly increased the inherent threat of the profession. We desire to change these wrongs to law enforcement and once again shed positive light on America's heroes to help boost morale and gain society's much needed support.
